

DATA VORTEX SKYINTELLECT

AN INTERNATIONAL HACKATHON

HACKATHON GUIDE

ABOUT THE EVENT

Global 24-Hour Hackathon

Artificial Intelligence, Data Science,
Cybersecurity, Drones, HealthTech
Innovate. Build. Win. Connect.

DataVortex SkyIntellect Hackfest is a high-energy, global tech marathon where student innovators tackle real-world challenges across today's most impactful domains. Over 24 hours, participants will build powerful software solutions to problems in AI, healthcare, drone tech, cybersecurity, data science, and more.

Whether you're a coder, designer, or problem-solver – this is your chance to showcase your skills, network with experts, and build something that matters.

Hackathon Rules

- Teams must have 3 to 4 members
- All team members should be from the same college
- Only one idea can be submitted by each team
- One person = one team (no multiple teams)
- Submit your project on Unstop or Devpost
- Only software solutions are allowed
- Top 100 teams will attend the offline 24-hour hackathon
- All participants must stay on campus for 24 hours
- Everyone must bring their own laptop
- Accommodation is paid, based on your need
- Projects must be original and made during the hackathon

Journey to the Final Hackathon

Round 1: Abstract Submission

- Teams must submit a clear abstract explaining their idea.
- After submission, a meeting link will be shared with the team shortly.
- In the meeting, the team should explain their idea to the review panel.
- Based on the review, selected teams will move to the final round.

Round 2: Final Hackathon

- Selected teams will participate in the 24-hour hackathon.
- Indian teams: Offline at the venue
- International teams: Online participation

HACKATHON SCHEDULE DAY - I

8AM - 8:30AM

Check-in at KLU campus main gate (Accommodation students)

9AM - 8:30AM

Report at KL main Gate for ID cards

9:30 AM

Ingratiation Ceremony

12:45PM

Lunch Break

2:30PM

First Review

4:30PM- 4:40PM

Snack Break

7:30PM

Dinner Break

9PM

SECOND REVIEW

 **12:30AM**
Cultural Events

2am
Project Development

 **5:30AM**
FINAL REVIEW

7:30AM
Tiffin Break/ Fresh Up

9:30AM
Jury Remarks

10AM - 12AM
Prize Distribution & Closing Ceremony

HACKATHON

SCHEDULE DAY - 2

Accommodation & food Details

- Teams must submit a clear abstract explaining their idea.
- After submission, a meeting link will be shared with the team shortly.
- In the meeting, the team should explain their idea to the review panel.
- Based on the review, selected teams will move to the final round.

Round 2: Final Hackathon

- Selected teams will participate in the 24-hour hackathon.
- Indian teams: Offline at the venue
- International teams: Online participation

SUPPORTED & ORGANIZED BY

The DataVortex SkyIntellect Hackfest 2025 is powered by the passion and collaboration of student-led clubs at KL University. The School of Data Science Club drives innovation through machine learning, artificial intelligence, and data-driven problem solving. The Cyber Security Club focuses on ethical hacking and digital safety, equipping students with essential cybersecurity skills. The Garuda Club explores cutting-edge technologies such as drones, IoT, and smart systems, encouraging real-world tech solutions. Together, these clubs aim to foster a spirit of innovation and teamwork through this global hackathon.
